

The 2012 BioGuard Enrichment Conference How to Calculate Your Funds

1. Access One Source Fund through One Source Connect
2. Click on Accounts – left side of your screen
3. Click on Accrual
4. Click on ONE11 to access the breakdown of your 2011 One Source Fund Account.

Scroll down to Incentive Trips. Here you will see that you can spend 50% of everything you earn in 2011 for the BioGuard Enrichment Conference under the Incentive Trips Media Group. Your cap will grow throughout the season as additional funds are earned. Your balance will determine how much you can actually apply towards the trip. If your fund will not cover the entire cost, you will be responsible for the balance due. The balance due must be paid in full prior to November 30, 2011. Payment not made prior to November 30 may result in a cancellation of your registration and forfeit of any applied One Source Funds. Your One Source Fund claim will be filed by BioGuard and will require no action on your part. All applicable One Source Funds will be applied prior to October 15, 2011.

Below is an example:

Fund	Target	Accrual	Adjustments	Paid	Balance
ONE11	\$0.00	\$5,274.02	\$5,427.89	\$1,417.50	\$9,284.41
